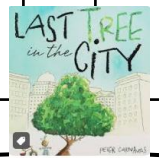
Brilliant Beginning:

We will have a visitor come in and tell us about something interesting.

What challenge will they set us?

English

This term we will be using the text Last Tree in the City to write a Environment Narrative. We will then write a set of instructions on how to make an egg box dragon.

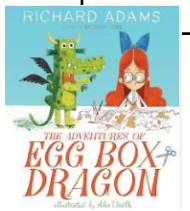


Maths

This term we will be consolidating our understanding of place value and part-part whole relationships. We will be deepening our understanding of number bonds to 5 and 10. Using what we have learnt in term 1 we will be solving a range of mathematical problems.

Fantastic Finale:

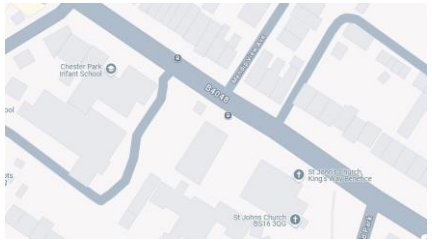
We will produce an information leaflet to give to parents to encourage them to park elsewhere.

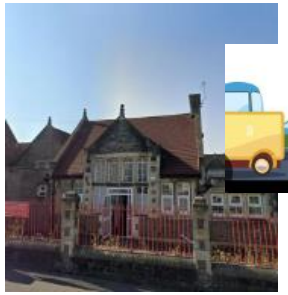


Science

This term we will be learning about humans and being healthy. We will discuss the basic needs of humans, for survival. We will describe the importance for humans of exercise, eating and hygiene.

What impact can I have on my world?

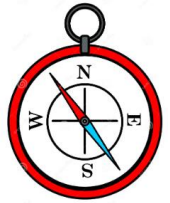




Hedgehog and Bumblebees

Geography

This term we will be looking at our local area. We will use compass directions to describe locations of features on a map. We will look at aerial photographs of our local area and label human and physical features. We will go on a field trip in our local area to report on parking and traffic.



PSHE

This term our Jigsaw Unit it called 'Celebrating Differences'. We will think about how we are different from each other and how this makes us all unique! We will understand the word 'Bullying' and know what to do about it.

RE

In RE this term we will be retelling the Christmas Story. We will be thinking why the gifts given to Jesus might have been meaningful in Bethlehem.

Computing

In Computing this term we will be exploring digital art and creating their own digital paintings.

PE

In PE this term we will be looking at gymnastics.

We will be learning how to use the apparatus safely.

Music

In music our topic is called Dance, Sing and Play. We will be learning that music is made up of long and short sounds called rhythm and high and low sounds that we call pitch.
