Year 5 Term 2

Brilliant Beginning:
We will make parachutes to investigate air resistance.

English

This term, we will be basing our writing on the book 'FaRTHER'. We will write a setting description narrative and diary entry, focusing on similes, metaphors and subordinate clauses.

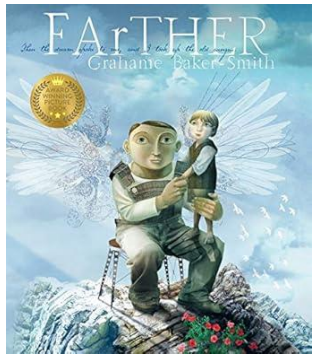
Maths

In Maths, we will be looking at money, short multiplication and short division.

Fantastic Finale:
We will make our own working catapults.

Science

Our focus will be on forces, mainly air resistance and the effect that this has on objects as they move. We will conduct experiments to show this effect.



DT focus 2

In DT, we will be investigating levers, gears and pulleys.

PSHE

Our focus is 'Celebrating Difference'. We will celebrate diversity and what makes us unique.

Languages

We will continue our new Spanish learning in our 'Animals' unit.

Computing

This term, we will learn about programming.

PE

Our indoor PE will be Dance and outdoor PE will be Netball.

RE

In RE, our focus will be on the key question, "Is the Christmas story true?"

Music

This term all of our learning will be centered around singing and we will learn our song for the Christmas performance.
