

**Brilliant Beginning:**  
We will explore different forces through some experiments!

**English**  
This term we will be basing our writing on the book 'Farther'. We will write a setting narrative and a recount in a letter. We will continue to work on our Year 5 grammar skills.

**Maths**  
In Maths, we will be looking at money, negative numbers and short multiplication and division.

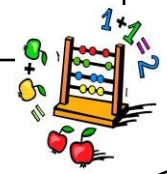

**Fantastic Finale:**  
We will make our own working catapults.

**Science focus 1**  
Our focus will be on forces, mainly air resistance and the effect that this has on objects as they move. We will conduct experiments to show this effect.

**Running like Clockwork!**

**Year 5 Term 2**

**DT focus 2**  
In DT, we will be investigating how we can use different materials to create pulleys.

**PSHE**  
Our focus is 'Celebrating difference'. We will look at respect for similarity and differences.

**Languages**  
We will focus on understanding and following instructions, naming parts of the body, identifying colours and how to say what we are wearing.

**RE**  
In RE, our focus will be on the key question, "Is the Christmas story true?"

**Computing**  
This term, we will begin to deepen our understanding of programming and what we can do with this on computers.

**PE**  
Our indoor PE will be Fitness and outdoor PE will be Basketball.

**Music**  
This term all of our learning will be centered around the idea of singing and playing in different styles. We will also look at how music connects us with our past.
