

## Brilliant Beginning: Emotions Gallery

## English

This term, we will be looking at writing a flashback narrative. Our key focus is accurate punctuation and tenses, but we will also explore using appropriate language to produce more thoughtful and creative pieces.

## Maths

In Maths, we will be learning about the number 10,000,000 and what it is made up. We will move on to learning about shape. We will also revisit multiplying by 2-digit numbers. Throughout the term, our arithmetic focus will be on fractions.

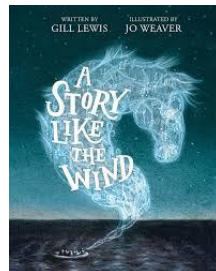

## Fantastic Finale: Sharing learning across the year group.

### Science focus:

This term we are learning about the circulatory system and how to lead a healthy life.

# A Story Like The Wind

## Year 6 Term 2

75%	$\frac{3}{4}$	$\frac{75}{100}$	0.75
50%	$\frac{1}{2}$	$\frac{50}{100}$	0.50
25%	$\frac{1}{4}$	$\frac{25}{100}$	0.25
10%	$\frac{1}{10}$	$\frac{10}{100}$	0.10

### Art focus

We will be focusing on an artist Kathe Kollwitz who used images from WWI to identify with emotions. She created her work in various mediums, such as on canvas and sculptures. We will learn to create both throughout the term.

## PSHE

Our focus this term is "Celebrating difference." In this term, we will cover topics such as what is normal, why am I different, understanding and celebrating difference and also looking at power struggles within social environments.

## Languages

This term, we will focus on language regarding ourselves and who we are.

## RE

Christianity: Do Christian celebrations and traditions help Christians understand who Jesus was and why he was born?

## Computing

This term, we will be learning about programming. We will be changing variables in games to further the children's understanding of coding.

## PE

Our outdoor PE sessions will be Basketball and our indoor PE sessions will be fitness.

## Music

In Music, we will be learning songs/carols to perform in our Christmas production.
