

Brilliant Beginning:

We will have a visit from a very special teddy bear requesting that we host a picnic!

Science

In science we will name and identify a variety of common animals and learn about their habitats. We will sort animals into carnivores, herbivores and omnivores. We will look at different food chains. We will identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense.

PSHE

This term our Jigsaw Unit is called 'Being Me in My World'. This term we will think about feeling special and safe in our class and discuss our rights and responsibilities. We will discuss rewards and consequences.

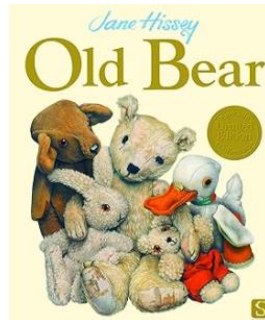

RE

In RE this term we will be looking at the key question 'What do Christians believe about God?' We will be looking at the Creation Story and thinking about God the Father.

English

This term we will be using the text 'Old Bear' by Jane Hissey. To start with, we will look carefully at the story in order to write a narrative of our own. We will then use our text as inspiration to write messages pretending to be a trapped toy.

Animal Picnic

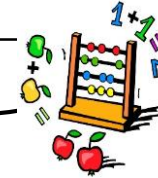

Hedgehog and Bumblebee

Music

In music this term we will be looking at a song called Hey You! It is written in Old-School Hip Hop style. We will learn the differences between pulse, rhythm and pitch.

Maths

This term in Maths we will be reminding ourselves what we know about numbers from Reception. We will be learning about **more** and **less** and using different representations to show this. We will also be learning about partitioning numbers in different ways.

PE

In PE this term we will be looking at the fundamentals of PE for example, running, balancing, hopping and throwing. We will be working as a team to develop our perseverance, independence and honesty.

Fantastic Finale:

We will make woven picnic mats, animal masks and cook healthy snacks to hold an animal picnic on the Junior school field.

DT

In DT We will go on a trip to the shops to get some food for our picnic. We will design, make and evaluate a healthy snack for us all to share.

ART

This term, we will be developing our sketching by learning a variety of pencil techniques, such as shading. We will use these skills to create a self portrait.

Computing

In Computing this term we will be learning about different types of technology. We will think about technology in our classroom and how to use technology appropriately. We will develop our mouse and keyboard skills.
