

Brilliant Beginning:

We will start our topic by visiting Forest School and going on a mini beast hunt. I wonder what we will find?

English

This term we will be using the text 'Hermelin' by Mini Grey. To start with, we will look carefully at the story in order to write our own detective narrative. We will then use our text as a stimuli to write a letter.

Maths

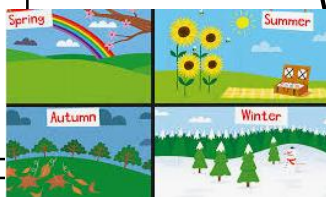

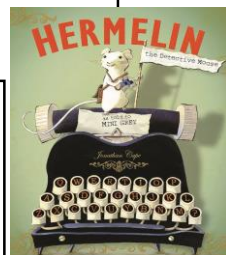

This term we will be continuing with our learning about place value. We will partition numbers into tens and ones, compare the value of a number and order numbers. We will look at the position of a number on the number line and estimate where numbers might go. We will work out 1 more and 1 less than a number. Towards the end of the term we will briefly look at 2D and 3D shapes.

Fantastic Finale:

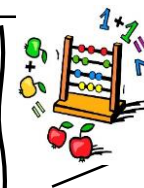

We will create a gallery of our artwork and share our fact files with our peers.

Science

This term we will be learning about plants and animals in a woodland habitat. We will identify and name a variety of common wild and garden plants, including deciduous and evergreen trees. We will identify and describe the basic structure of a variety of common flowering plants, including trees. We will observe changes across the four seasons, observe and describe weather associated with the seasons and how day length varies.

Woodland Adventure

Geography

We will use basic geographical vocabulary to refer to physical features, including: forest, hill, river, soil, valley, vegetation. We will name features, including: city, town, house. We will use simple fieldwork and observational skills to study the geography of our school and its grounds and the key human and physical features of its surrounding environment.

PSHE

This term our Jigsaw Unit is called 'Celebrating Differences'. We will think about how we are different from each other and how this makes us all unique! We will understand the word 'Bullying' and know what to do about it.

Computing

In Computing this term we will be creating media using digital photography.

PE

In PE this term we will be looking at gymnastics.

We will be learning how to use the apparatus safely.

Art

We will use paint and collage to create different wildlife. We will develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space. We will look at the work of different artists and create our own version of the Matisse Snail.

Music

In music we will be looking at Motown genre music. We will also be learning out songs for our Christmas performances.

RE

In RE this term we will be learning about Christianity. Our question will be, 'Why do Christians believe God gave Jesus to the world?'
