

Brilliant Beginning: Pizza-workshop

English

This term, we will be writing a discovery narrative and an animal adaptation explanation. Children will have the opportunity to be more creative and adventurous with their writing!

Maths

In Maths, we will be applying our mathematical understanding to project-based learning. This will be a fantastic opportunity for learners to show off their mathematical skills.

Fantastic Finale:

The Wizard of Oz production and Year 6 Leavers Assembly.

Science focus:

Children will learn about evolution and inheritance, they will recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago. Children will explore how animals adapt to their environments to ensure survival.

The Origin of the Species

Year 6 Term 6

75%	$\frac{3}{4}$	$\frac{75}{100}$	0.75
50%	$\frac{1}{2}$	$\frac{50}{100}$	0.50
25%	$\frac{1}{4}$	$\frac{25}{100}$	0.25
10%	$\frac{1}{10}$	$\frac{10}{100}$	0.10

Art focus

Children will explore pencil and watercolours through observational art. They will build on their scientific learning about animals and adaptation to create their own labelled art work. They will answer the questions: How did Conrad Martens share what he saw on the voyage on HMS Beagle?

PSHE

We will be focusing on coping positively with change ahead of transition from Year 6 to Secondary School.

Languages

This term, we will focus on discussing our family and friends.

RE

Islam: Does believe in Akhirah (life after death) help Muslims lead a good life?

Computing

This term, we will be learning programming – sensing movement.

PE

Our outdoor PE sessions will be athletics and our indoor PE sessions will be yoga.

Music

In Music, we will learning the music for our Year 6 production: The Wizard of Oz!
