

Brilliant Beginning:

Our brilliant beginning will take place when we start our Art topic. Children will complete a **texture investigation**.

Science

We will be focusing on **Magnets and Forces** for the first four weeks. The children will use scientific vocabulary to help them explain their predictions and observations.

PSHE

Our theme will be **'Being Me'**. We will think about how to make our school community a better place, talking about our rights and responsibilities and how we can work well with others.

RE

We will be learning about **Islam**. The enquiry question this term is 'What is the best way for a Muslim to live a good life?'

English

In Reading, we will be look at a range of non-fiction and fiction texts focusing on **retrieval and prediction**.

In writing, we will be reading the text 'The Iron Man'. We are going to be building on the previous year's writing features such as using **conjunctions, nouns and prefixes**.

Maths

We will be focusing on securing mental and written addition and subtraction methods.

Fantastic Finale:

We will draw Iron Man and share our work with Year 3.

Art

For the last half of term, children will be investigating how artists use **texture** to create different effects. Children will also practice their **3D drawing** skills in preparation for their Art exhibition.

Music

Start with playing: adding percussion layers to build texture in our songs.

Computing

Children will use a range of techniques to create a **stop-frame animation** using tablets.

PE

Tuesdays – football
Thursdays – swimming
