

Headteacher writes:

“If man is to survive, he will have learned to take a delight in the essential differences between men and between cultures. He will learn that differences in ideas and attitudes are a delight, part of life's exciting variety, not something to fear.”

— Gene Roddenberry

This week, we celebrated our Chester Park Summer Fair. We were granted good weather for the occasion - maybe too good! It was great to see the Chester Park community coming together to create such a buzz and positive atmosphere. The setting up and taking down of a school fair is no easy feat - so thanks wholeheartedly to everyone who helped; set up, take down, pack away, prepare, staff a stall. Thanks to all the staff and volunteers for giving up time to make the fair a success. At the time of going to press, I don't know exactly how much was raised but it was clear that there was a lot of fun being had by all!

Shortly, you will be receiving the end of year school report from the class teacher relating to your child. These reports are lovely to keep to look back on and are completed to give a clear picture of where a child is academically as well as in other aspects of their development. Having met with the class teacher formally twice this year and many of you will also have had a number of informal meetings, this report will reflect what has previously been discussed as well as detailing areas of success and for future development. After receiving the school report, should you wish to discuss it please make an arrangement through the school office.

Yours in partnership,
Mike, Headteacher

Summer Fair

Thank you to everyone who came to the Summer Fair yesterday. Lot of fun was had and it was lovely to see so many smiley faces.

Thank you to Maria and the Friends who organised the event and to the staff who stayed to run the stalls.

Next week, we will let you know how much was raised.

Change in school menu—Monday 21st and Tuesday 22nd July

On Monday 21st July and Tuesday 22nd July, there will be a change to the school dinner menu:

Monday 21st July:

Cheese and tomato pizza, wedges, peas/sweetcorn

Fruit jelly

Tuesday 22nd July:

Fishfingers or quorn dippers, chips, beans / peas
Tomato pasta
Ice cream

There will not be a jacket potato or salad bar option on either day

School Council Charity Work

As a School Council, we are often approached by pupils asking to raise money for charities that are close to people's hearts. As a Federation, we support multiple local and national charities throughout the year so in Term 6 we ask the children what charities they would like to support.

This week, the Infant School Council have gathered ideas about charities the children would like to support. They chose three charities that support the environment. Today, the school voted on which charity they would like to raise money for. We can confirm that the winning charity was WWF (World Wide Fund for Nature).

Next week, the infant children will hold an ice lolly sale to raise funds for their charity.

Thursday 17th July 3.10pm—Infant School

Come along, buy a lolly and help support a good cause —only 50p per lolly!

Y5/6 Football match against Minerva Primary Academy

On a hot afternoon, the Year 5 and 6 football team faced a well-organised Minerva side in a thrilling and competitive match. Despite the challenging heat, both teams showed great determination and spirit throughout. Our players demonstrated excellent teamwork and individual skill, working together to create scoring opportunities and defend as a unit. The match was a true showcase of sportspersonship, with players from both sides showing respect, fairness, and encouragement. In the end, the game finished in a well-deserved draw, reflecting the strong performances and equal effort from both teams.
