**'There is only one corner of the universe you can be certain of improving, and that's your own self.'**  
**Aldous Huxley**

This week, many of you will have seen children sharing their learning through an assembly. I was fortunate enough to see six classes sharing their assemblies this week. During these assemblies, two things were clear; the children have enjoyed learning about their topics and the children have grown in confidence to present to an audience. Developing enjoyment and confidence in learning are two of the key life-long skills that will help our children grow into the amazing young people and adults they will become. I could see the children living out the school values during their presentations. I am aware that these have come together due to the creativity and hard work of the staff and children together. Year 2 shared their assembly about the Great Fire while Year 4 and Year 5 had a geographical focus. Well Done to all!

At Chester Park, it is very important that our learning is meaningful. This has really been highlighted to me this week. Three of our year groups have shared assemblies which have focused on Geography or History. I have seen Ducklings visit a shop to support their learning and to use real life skills. The infant school council have created signs to support developing a thriving wildlife environment. In the infant school, Year 2 have developed Tourist Information leaflets - we may have some budding travel agents or adventurers. Reception have been retelling stories. Year 6 has developed an art gallery and Year 3 has linked Science with storytelling by creating shadow puppets. And...there is still almost a week of school to go.

Next week, as you know, we will be celebrating Eid week. Eid will be celebrated by Muslims all over the world on the 30<sup>th</sup> and 31<sup>st</sup> April. This marks the end of Ramadan. To all who celebrate Eid I wish you 'Eid Mubarak.' School is closed to pupils on Friday and Monday due to INSET and we look forward to welcoming the children back on Tuesday 1<sup>st</sup> April.

Yours in partnership,  
Mike, Headteacher

**Easter in a box**

This week, visitors from St John's Church came into school to run Easter in a Box sessions with Year 3. The Year 3 classes took part in a fun afternoon filled with activities designed to help the children learn more about the Easter story and understand the significance of Easter celebrations.

### Bristol City Women's Football club assembly

Last week, the Junior School were lucky to have a visit from two Bristol City Women players. They spoke in assembly about their enjoyment and passion for the game. It was wonderful to hear how hard they train and how their passion continues to grow with each game they play.

### Eid Mubarak

Happy Eid to all of our families and staff members who are celebrating Eid at the start of next week.

### Road safety

In school, we work with the children to teach them how to be safe on the roads and when travelling to school. It is really helpful that families support us by:

- ◆ Ensuring all children who are travelling in a car have an appropriate size car seat and are always expected to wear seat belts when travelling in a car.
- ◆ Parking safely around the school sites. Please avoid parking around zig zag areas and areas where you see the children safety signs. Even pulling in to drop off, makes this area unsafe for children who are walking.
- ◆ Avoid turning in the road outside of school and parking on the pavements.
