

Headteacher writes:

“That’s the one good thing about regret: It’s never too late. You can always change tomorrow if you want to.”— Claire Phillips, "Scrooged"

The Winter Fair was a great success - thanks to everyone who contributed towards this success. We have raised around £1900 for the Friends of Chester Park - well done! It was pretty busy... there are still a few prizes from the raffle to be collected. The community feel was really positive - Chester Park at Christmas really is a special place. On Monday, the Christmas fun continues with a sing-a-long at the Junior school. The families from Infants and Juniors will join together to sing, in tune and in time to beloved Christmas songs - it is a joyous event and I look forward to seeing you there.

This week, Bristol held an attendance conference and there really is a collective drive from within the city to support families in helping their children improve attendance. This is very important for us at Chester Park as part of our work linked to Belonging. Thank you for continuing to work with us to help every child have strong attendance and feel a sense of Belonging within school.

The final two weeks of school, are now upon us. Traditionally, these are fun-filled weeks where we have planned too much to do in the time, we have... and this year is no exception! However, as I shared last week, maintaining structures and routines is so important for all of our children. We will be continuing to teach the full curriculum and enhance this with preparation for performances. Please continue to send your child to school in uniform and on time. Please continue to support with reading at home and talking about what your child has been learning during the day. I am sure I will see most of you over the next few weeks at one event or another.

Yours in partnership,
Mike, Headteacher

Winter Fair

This week, we held the Winter Fair at the Infant school. As always, it was very busy and very well supported by our families. We would like to say a big thank you to Maria, Chair of the Friends and also all the members of the friends and staff who helped organise the event and stayed to help run the event on the day. We still have lots of events coming up throughout the year and we hope you will show your support to these too.

The winter fair so far has raised an amazing:

£1895.00.

This really helps the school to be able to spend money on more educational resources.

Thank you again for your continued support.

Dates for your Diary
