

Brilliant Beginning:

Visit from Hillfields Community Gardens ahead of class trips throughout the term.

English

In our reading sessions, we will be developing our skills through looking at a range of fiction and non fiction texts regarding the geography of Europe, including websites and poetry.

In our writing sessions, we will be applying our skills and imagination in writing a refugee narrative and a welcome leaflet.

Maths

We will be focusing on multiplication and division by recognising factors and using known facts to create links and answer questions beyond known times tables.

Fantastic Finale:

Sharing plants we have grown, with our families.

PSHE - Relationships

We will be exploring the different relationships we have and emotions associated with them including loss and jealousy..

Year 3 and 4 Term 5 Seasonal Food

DT

Children will learn about seasonality and apply the principles of a varied and healthy diet. Over the course of the term, each class will be able to practise preparing, cutting, grating and peeling food safely.

Music

Expressing our feelings improvisation and expression.

Computing

Data Logging

We will consider why data is collected, pose questions to collect data and present it.

P.E

Year 4 will be developing their fitness skills for indoor P.E while Year 3 are swimming and everyone will be developing their cricket skills for their outdoor sessions.

RE – Christianity

Do people need to go to church to show they are Christians?

French

Our School

Children will learn about school places and classroom objects, including expressing preferences about lessons.
