

Brilliant Beginning:
We will practice Ancient Olympic sports.

English
'The Promise' is our example text that we will focus on this term. This includes constructing a character narrative and a formal report style of writing.

Maths
In Maths, we are learning about fractions. We will focus on multiplying unit and mixed fractions. We also look at doing the same with division.

Fantastic Finale:
We will have an Ancient Olympic sports day.

History Focus
In Topic, children will explore the Ancient Greek Olympics. We will understand when this happened in history. We will also compare the ancient and modern Olympic games to understand the similarities and differences.

Outrageous Olympians

Year 5 Term 5

Languages
We will be focusing on the French words for school and the lessons we take part in.

PSHE
Our focus is 'Relationships'. We will focus on how we interact with the people around us, our friends and families.

RE
In RE, our key question will be 'How are sacred teachings and stories interpreted by Sikhs today?'

Computing
Our unit looks at how to create vector graphics, using a series of different drawing tools available on computers.

PE
Indoor PE will be dodgeball, while outdoor PE will be cricket.

Music
This term, our sessions will be focused on learning to sing and play in different styles.
